PUBLIC ENGAGEMENT AND DISSEMINATION

As of 2021, I have promoted more than 50 public engagement events aimed at both local and national audiences. Some of these events were held as part of the activities of the OMERO research center, which I direct. These include:

- The realization of the podcast “Quattro città. Appunti di geografia urbana”, broadcast by *Radio Popolare*
- The coordination of a permanent space in the national newspaper *Huffington Post Italia*, on behalf of the OMERO Research Center, in which more than 30 articles on relevant urban issues have been published by numerous scholars, both from the University of Turin and from other Italian universities.
- The publication of several articles on current urban issues in national newspapers such as *Il Manifesto* and *Huffington Post Italia*.
- The organization of two seminar series for non-academic audiences, in collaboration with *Urban Lab Torino* (“La città dei giovani”, 2023; “La città: margini, fratture, confine”, 2024)
- The organization of an international award for urban short films, in collaboration with *Urban lab Torino*, *Caucaso Factory* and *Piccolo Cinema Torino*
- Realization of about 30 public presentations for non-academic audiences (in libraries, bookstores, schools and cultural centers) of the volume “Cemento armato. La politica dell’illegalità nelle città italiane”. The book also won the 2024 “I fiori blu” literary prize.
